What Our Customers Say

“I think it is a brilliant product. Installation and implementation process are superb and very quick”

Johan Van Heerden Head of Finance Systems, Atlas Mara

“FXLoader has been supportive and nimble over the last 3 years of our partnership. We have scaled to different geographies and FXLoader has responded rapidly to our needs for adding different currencies often. Thank you!”

Steven Amaya VP Finance, TaskUs

“FXLoader keeps all our FX rates up to date, every day from the sources we need. It should be an automatic choice for anyone using Oracle ERP Cloud”

Dee Marwaha Head of Financial Operations, Perform Group

“FXLoader has been a tremendous addition to our Oracle ERP configuration. It runs seamlessly each night loading 500 + currency pairs”

Kevin Brownlie
Senior Director, Information Systems Hologic
